

Thank You Sponsors!!

We've had a great year at En Gedi Preschool!

singing

art time!

- * Learning about the world God created
- * Learning about numbers & letters & how to read & write them
- * Learning how to play together, share, think and create
- * Learning English and Swahili — Swahili and English — greetings and new words and sentences and Bible verses.....

new swing from the UK

We have been blessed with great playground equipment, toys and books from the UK —thank you Kings Church!! King's Church is also helping us build a new classroom so we can expand next year. We are planning to have a morning prep class for the older kids & an afternoon preschool class for the younger ones. This means more kids can come to our school from our community!

We will be getting a new teacher too — teacher Teddy from Joshua Primary School in Magugu who is getting married and moving to Arusha — she is great!!

Teacher Celina is studying hard for her form 6 exams in February. Plus this year she has done a phonics course & learnt about the NZ numeracy project. Wow — she has been busy!!

check out our new bags from NZ!

We pray for God's special blessings of giving and receiving this Christmas season
